Government Records Request  
Receipt

On October 28, 2024, you filed a request pursuant to the New Jersey Open Public Records Act (OPRA) with the Department of Law and Public Safety, Division of Gaming Enforcement (DGE) seeking: (0001) "copies of documents regarding the DGE's investigation into the law firm Calcagni & Kanefsky LLP's allegations that Evolution US LLC made its products available in countries subject to United States trade sanctions between November 24, 2021 through the present."

The request was received by the DGE on October 29, 2024, and was assigned #C225632.

The DGE has reviewed your request for Record 0001 and finds it is improper and overbroad (39: Improper and Overbroad) as it fails to identify specific records. OPRA is a records law, not an "information" law; government agencies are required to disclose identifiable government records that are specifically described in the OPRA request. See N.J.S.A. 47:1A-1 and -1.1; MAG Entertainment LLC v. Div. of Alcoholic Beverage Control, 375 N.J. Super. 534, 546, 549 (App. Div. 2005). "The requestor must identify the records sought with specificity. The request may not be a broad, generic description of documents that requires the custodian to search the agency's files and 'analyze, compile and collate' the requested information." Bart v. Passaic County Public Housing Agency, 406 N.J. Super. 445, 451 (App. Div. 2009). OPRA does not require government agencies to conduct research in order to respond to a request for records, nor does it countenance open-ended searches of agency files or a blanket request for every document an agency has on file on a topic and is not "intended as a research tool litigants may use to force government officials to identify and siphon useful information." See MAG Entertainment, *supra*, 375 N.J. Super. at 546, 549; Bent v. Twp. of Stafford, 381 N.J. Super. 30, 37 (App. Div. 2005); Gannett NJ Partners v Middlesex, 379 N.J. Super. 205, 212 (App. Div. 2005).

Please be advised that even if responsive documentation to an appropriately phrased OPRA request existed, such records would be confidential pursuant to N.J.S.A. 5:12-74.1 (04: Exception by State Statute) and N.J.A.C. 13:69-4.2 (05: Exception by State Regulation), which create a legal obligation to maintain as confidential certain information furnished to or obtained by the DGE from any source.

For the above-stated reasons, your request is denied.

Thank you.

Sincerely,

Jordan Hollander  
DGE Records Custodian

Government Records Request  
Receipt

Dear Sir/Madam:

Pursuant to the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq., I write to request that the New Jersey Division of Gaming Enforcement (the "DGE") provide to Robbins Geller Rudman & Dowd LLP copies of documents regarding the DGE's investigation into the law firm Calcagni & Kanefsky LLP's allegations that Evolution US LLC made its products available in countries subject to United States trade sanctions between November 24, 2021 through the present.

The New Jersey Open Public Records Act requires a response time of seven business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Please let me know if I can answer any questions or clarify my request. I can be contacted at 619/231-1058. I appreciate your consideration of this request and look forward to your response.

Respectfully submitted,

/s/ Jessica Robertson
